

Tipo
by Norway Says

A sculptural silhouette

An elegant appearance, a playful look and some thoroughly considered details all make TIPO a timeless and decorative piece to appreciate. Some details are not even spotted at first sight, such as the contrasting colour under the seat cushions. Others, such as the oversized back that gracefully ends in slender armrests, emphasize TIPO's sculptural silhouette.

See page 112 for complete product overview

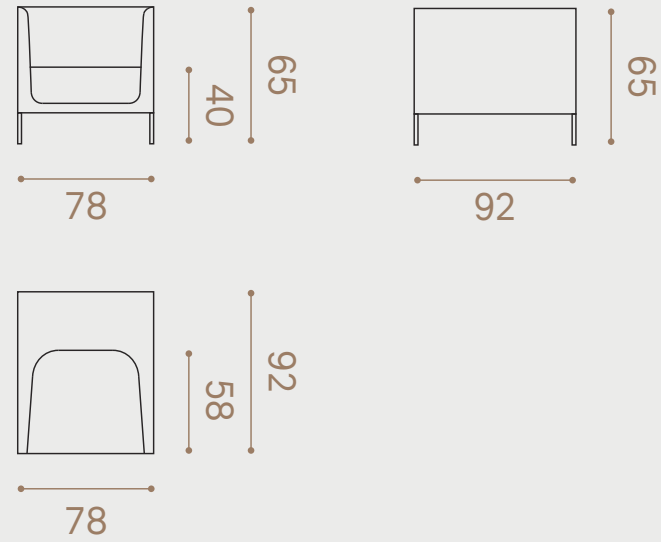

Tipo

Design Norway Says

TIPO is available in 1 and 2,5 seater. The seat cushions are loose and are made of molded foam.

1 seater • 101

2,5 seater • 301
